The North Carolina Local Government Budget Association (NCLGBA) is a professional organization of people interested in the exchange of knowledge for individuals concerned with the budget and evaluation responsibilities of local government.

NCLGBA's main goals are:

- To strengthen communications and provide opportunities for professional growth and development through the exchange of ideas
- To investigate, study, discuss, and recommend improvements in the application of budget and evaluation methods
- To collect, compile, and distribute pertinent information about the administration of budget responsibilities
- To promote, sponsor, or conduct training and education programs through the participation in NCLGBA sponsored events and meetings

Sponsorship Opportunities

Sponsorship opportunities are available at a variety of levels. Potential Title events include: Welcome Reception, Luncheon, Main Reception, Continental or Full Breakfast, and/or three snack breaks.

Why Sponsor?
